Grant Program
2010-2011**

PALMETTO'S FAÇADE ENHANCEMENT GRANT PROGRAM

INTENT

It is the goal of the Palmetto Community Redevelopment Agency (CRA), under Part III, Chapter 163, Florida Statutes to eliminate slum and blight in the Community Redevelopment District. This Façade Enhancement Grant Program includes the objectives of: (1) strengthening downtown as a multi-use center; (2) strengthening the City's contribution to the well-being of the community; (3) improving the physical image within the district; and (4) enabling successful on-going revitalization.

PROGRAM DESCRIPTION

In order to carry out these goals and objectives, the CRA will provide assistance to owners of commercial property located in the CRA District. Map of the CRA District can be found at www.palmettoflorida.com. It is the intent of this grant program to fund a portion of the applicant's cost for exterior, non-structural improvements, which will increase the aesthetic appeal of the structure. This program is not intended to fund new construction or routine maintenance and/or repairs of the structure. It is not intended to improve structures which are used primarily as residential units. Also under Florida Statute Article 1 Section 3, religious organizations do not qualify for funding under this program. Page 6 shows examples of some, but is not limited to, improvements of eligible façade enhancements.

Applicants are to complete the attached application form and submit it with all required attachments to the CRA Board in order to be considered for assistance.

ELIGIBILITY

Applications will be only considered if they meet all of the following eligibility criteria:

- Application must be initiated by owner.
- Businesses must have the appropriate local business tax receipt(s) and be in compliance with city codes at completion of the project. All required governmental approvals (i.e.: Planning and Zoning, SWFWMD, etc) and permits must be properly issued, and final inspections must be performed as appropriate.
- Buildings that are partially in and partially out of the CRA district are eligible for funding for the portion that is only within the CRA district.
- Projects must be visible from the street, sidewalk, and/or parking lot.
- Projects must be completed within 90 days of award, unless a written extension is requested of and granted by the CRA.
- Non-profit organizations, with the exception of religious organizations, or other organizations that do not pay ad-valorem taxes are eligible for funding.

- Property must be current in water/sewer/garbage and tax bills, and without City liens, and verified by CRA staff. Previous delinquent status of public utilities, taxes, etc. will be considered in prioritizing applications for funding.
- All building materials and colors, as well as plant materials, shall be subject to CRA approval.
- Labor expenses are eligible only when performed by a licensed contractor in good standing in Manatee County. All quotes/bills/invoices must reflect the contractor's license number.
- Funding is limited to \$50,000 for any applicant /business/ individual, per structure during any 60 month period, and subject to available CRA funds.
- Improvements can be initiated, provided required procurement procedures are followed, not more than 90 days before the submission of an application for funding. All competitive bids/quotes must be dated prior to the commencement of the associated improvements. The submission of an application does not, in any way, imply an award of grant funding.

APPLICATION RATING CRITERIA

The following criteria may be considered, along with all required submissions, in evaluating applications:

- Small disadvantaged business (as defined by the SBA)
- Minority Business Enterprises (as defined by the SBA)
- First time applicants
- Utilization of Palmetto based contractors and businesses
- Implementation of CRA Waterfront Plan or Downtown Design Guidelines
- Enhances pedestrian/multi-modal transportation connectivity
- Located on Palmetto main/entry corridor
- Located in Historic District/Old Main Street
- Enhances, preserves or restores historic facades
- CRA contributes 25% or less of total project cost

PROCUREMENT PROCEDURES

Applicants are expected to make sound financial decisions, seeking competitive prices for projects. Evidence of compliance with the below procedures must be submitted with the grant application.

- Improvement costs in excess of \$2,500 must include at least 2 estimates or a statement of non-availability of contractors or services.
- Improvement costs in excess of \$10,000 must include at least 3 estimates or a statement of non-availability of contractors or services.
- If structure is partially in and partially out of the CRA district, estimates must be split between the portions of the structure that lies within and without of the CRA district.

- Any and all costs may be compared with current industry standards to ensure reasonable pricing.
- Property owners may complete improvements themselves, as allowed by State and local building codes, provided that the cost of improvements is not greater than the least of the competitive bids gathered in compliance with these Procurement Procedures. When property owner completes improvements themselves, labor cost will not be considered for payment.
- As it is the intent of the CRA to support strong, viable business in Palmetto, grant applications must include estimates from Palmetto-based businesses for all proposed improvements when available. Alternatively, applicants should provide statements of non-availability of local contractors or services.

FUNDING

Grant amounts shall not exceed Fifty Thousand Dollars (\$50,000.00) or one-half (1/2) of the improvement cost, whichever is less and shall require an affirmative vote of a majority of a quorum of the CRA Board.

PLEASE BE ADVISED THAT ALL GRANTS ARE AWARDED AT THE DISCRETION OF THE CRA Board AND ARE SUBJECT TO FUND AVAILABILITY. PROJECTS ARE SUBJECT TO APPROVAL BY THE BUILDING DEPARTMENT AND THE PLANNING AND ZONING BOARD AS APPLICABLE.

TIMELINESS

It is the intent of the CRA to provide access to this incentive program throughout the fiscal year 2010-2011, and to encourage the timely completion of projects in order to maximize availability of monies for commercial façade enhancement. In order to execute this intent, the CRA will accept and review properly completed applications as they are submitted. ~~with submission deadlines of 3:00 P.M. on October 2, 2009, January 4, 2010, April 2, 2010 and July 2, 2010 for~~ consideration at the next scheduled board meeting.

It is anticipated that applicants will request grant funding when they intend to make improvements to their property. Therefore, projects should be planned for completion within 90 days of award. In the event that any project, through no fault of the owner, is anticipated to take more than 90 days for issuance of a certificate of occupancy or other evidence of completion from the City of Palmetto Building Department, the applicant must change the written application appropriately on their timeline, and a completion deadline must be included. Applicants are advised that in the event they do not complete the project within the timeframe stated in the approved application they may lose funding unless the grant period is extended by affirmative vote of the CRA Advisory Board.

DISBURSEMENT OF FUNDS

Prior to any disbursement of grant dollars, applicant must provide the CRA with proof of matching contribution by providing copies of bills and cancelled checks or receipts. Grant money will be distributed only after the applicant has submitted such documentation to the CRA and the CRA board, with an affirmative vote of a majority of a quorum, approves payment.

If the Board has awarded an amount based on estimates supplied at the time of the application, and the actual costs are less than estimated, the Board will reduce the award amount accordingly.

UPKEEP MAINTENANCE OF COMPLETED IMPROVEMENTS

Improvements funded by the Commercial Revitalization Façade Grant Program will be maintained in good order. Failure to maintain these improvements will require a reimbursement to the CRA of the matching grant amount.

Please complete the following application and submit to:

TEMPORARY MAINTENCE PROVISION

Given the current state of the economy and the need to maintain the outward appearance of commercial properties in the CRA district, the CRA Board is enacting a Temporary Maintenance Provision (TMPA) to support normal maintenance which is not covered under the current Façade Enhancement Grant Program.

If applicable eligibility requirements are met, per pages 2 and 3 of the Façade Enhancement Grant Program, the CRA will grant 75% of the cost of maintenance up to a maximum of \$5,000. Only one TMP grant will be considered per owner, with a 60 month period required before said owner may reapply under the TMP, if the program is still in effect at that time. Examples of maintenance items considered under the TMP are painting, fencing, driveway and sidewalk repair, and signage. Items funded under the TMP will require three quotes for each item, regardless of cost. Example, if a application for painting and driveway repair came to \$7000 applicants must have three quotes for the painting and three quotes for driveway repair. Disbursement of funds will be governed by the same guidelines as outlined on page 5 of the Façade Enhancement Grant Program.

The TMP will expire on December 31, 2010 unless a majority of the CRA Board votes to maintain the provision. For consideration of funding, applications must be received prior to October 31, 2010. All grants are awarded at the discretion of the CRA Board and are subject to fund availability.

Examples of eligible items under the Façade Enhancement Grant Program

The following are some examples of items eligible for funding. Improvements must be in keeping with the intent of this program. The fact that an item is on this example list does not, in and of itself, entitle payment under the Façade Enhancement Grant Program. Potential items not on the list but meeting the intent of the program will also be considered for inclusion.
