1. AGENDA APPROVAL

**MOTION: Ms. Cornwell moved, Mrs. Lancaster seconded and motion carried 5-0 to approve the December 17, 2007 4:00 pm agenda.**

2. PRESENTATION: CRA PARTNERSHIP WITH CENTRAL ECONOMIC DEVELOPMENT CENTER

CRA Executive Director Tanya Lukowiak introduced Alison Hewitt, representative of the Central Economic Development Center (CEDC). Ms. Hewitt reviewed the services the CEDC offers to businesses and the additional certifications the organization is seeking. She explained the CEDC is currently funded through the Central Community Redevelopment Area (CCRA), and is now seeking partnerships with Palmetto and Bradenton to expand its services to those municipalities.

Mrs. Lukowiak informed the Commission the partnership consists of a \$65,000 cash contribution and a \$35,000 in-kind service through the use of the CRA's Buxton Report, which was approved by the CRA Board and will be funded by the Community Redevelopment Projects budget line item. She asked for consensus to fund the partnership. Commission moved the topic forward to the 7:00 agenda.

3. WATERFRONT HOTEL PRESENTATION

Mrs. Lukowiak informed Commission that in keeping with the vision of the Waterfront Plan there is a need to develop a hotel. Ms. Lukowiak introduced Alan Zirkelbach, who, in turn, introduced developer Steve Mullin. Mr. Mullin reviewed his history in hotel development, and explained he is looking to a flag hotel to occupy the site. Mr. Zirkelbach reviewed a very early conceptual plan for the hotel, which is proposed for approximately 100 suites, comprised of eight stories over a two-level parking structure. The parking will provide public, no fee parking, of approximately 68 vehicles – no boat trailers. The proposed site of the hotel is on the City's public parking lot, which is subject to deed restrictions regarding its use. Commission discussed the plan with Mr. Zirkelbach and agreed to consider a plan for a hotel at the site provided all legal issues relating the deed restrictions can be resolved. Commission also commented on the height of the proposed building and its compliance with existing height criteria, its impact to surrounding structures, possible traffic impact to Riverside Dr., the need to see the building to scale with the

surrounding structures and whether the project must be bid in the event the City could negotiate a public/private partnership. Mr. Zirkelbach confirmed that at this time there are no plans to involve CRA in the project.

#### 4. PRESENTATION: CITY DEBT ANALYSIS

Deputy Clerk-Finance Karen Simpson briefly narrated an overview of an analysis of the City's debt structure. With the size of the agenda, Commission requested the item be moved forward to the January 7, 2008 workshop meeting for an in-depth discussion. When questioned about the proposed bond financing for Manatee School for the Arts, Mr. Freeman and Mrs. Simpson both stated it was their opinion the City's 2008 calendar year \$10 million financing cap would not be compromised should Commission elect to support the school's bond issue in early January, 2008.

#### 5. PRESENTATION: MANATEE SCHOOL FOR THE ARTS BOND FINANCING

Mr. Freeman informed Commission that Manatee School for the Arts (MSA) has finalized its financing needs at \$7.6 million; \$3 million before the end of 2007 and \$4.6 million in January, 2008. Mr. Freeman stated that in January the City's \$10 million cap will be reinstated, and with the \$4.6 million bond issue by MSA, the City will have \$5.4 million remaining to borrow from during the year.

Grace Dunlap, Bond Counsel for MSA reviewed the school's financing needs; \$3 million in 2007 for new money projects and \$4 million in early January to refinance existing debt. She commented on the presence of school representatives, Dr. Jones and Shirley Bryant, CFO; Kerry Ward, Wachovia Bank; and Mark Raymond, City Special Bond Counsel.

Mr. Raymond stated the entire transaction does not involve the credit of the City; there is no way the City can ever be made to make payment on the loan, as evidenced in sections 8 and 18 of the resolution, which language is incorporated by reference in all the loan documents.

Mr. Freeman informed Commission section 4 of the resolution has been amended since distribution of the agenda, by adding language requested by Attorney Hall. The change was read into the record. Attorney Hall explained the change was made because, to her knowledge, MSA has not spoken with Public Works and she does not know if the City is able to cope with any changes in expected services. She also confirmed that any construction projects will comply with all City construction procedures. She also confirmed that Commission's action tonight pertains only to the bond financing issue.

It was consensus of Commission to move items six and seven forward to the end of the action items of the 7:00 agenda.

Meeting adjourned at 6:00 pm.

Mayor Bustle asked for approval of the agenda, with the addition of items six and seven from the 4:00 agenda. Ms. Varnadore requested that the 2008 co-sponsored events also be added to the agenda for discussion.

**seven from the 4:00 agenda, the CEDC issue carried forward from 4:00 and the 2008 co-sponsored events.**

Mr. Ball informed Commission he had to depart the meeting after item #3.

Ms. Varnadore clarified her request, stating she wished to discuss only co-sponsored events #1 – 14, as contained on the last agenda.

Mrs. Lancaster stated she would like to add the appointment of the department heads to the agenda. Ms. Cornwell and Ms. Varnadore stated they would disagree.

**Motion on the floor carried 3-2. Mrs. Lancaster and Mr. Williams voted no.**

**MOTION: Mrs. Lancaster moved and Mr. Williams seconded to add the department head appointment to the agenda.**

Ms. Cornwell opined that in order to bring a topic up that has been voted down, there must be a super majority; therefore the co-sponsored event would not have been added. Attorney Hall opined that right now the motion is only to add an item to the agenda. Ms. Cornwell reiterated her belief that a super majority is necessary to bring an item off the floor, i.e., this motion under discussion, as well as the previous motion regarding the events.

**Motion on the floor carried 3-2. Ms. Cornwell and Ms. Varnadore voted no.**

9. NEW CITY WEBSITE

IT Manager Geoff Campbell spoke of the need to redesign the City's website, due to its outdated appearance, difficulty to navigate and lack of presence on the worldwide web. After reviewing several vendors' prices and sample websites, he informed Commission he considered CivicPlus the vendor of choice. He demonstrated their recent development of Jacksonville Beach's website; the municipality had nothing but positive comments about the company. He stated the City will retain all three domains owned – City, Police and CRA – but they will be combined. He stated the conversion will offer more opportunities for the City, as well as the residents. Each department will be able to update their page, vs. all updates having to be done by IT.

**MOTION: Ms. Varnadore moved and Mrs. Lancaster seconded to authorize the Mayor to execute a contract with CivicPlus not to exceed \$8,200 plus the monthly recurring cost, subject to the City Attorney's approval of the form of the contract.**

10. CRA PARTNERSHIP WITH CEDC

**MOTION: Mrs. Lancaster moved and Ms. Varnadore seconded to ratify the CRA Board's approval of the CRA partnership with CEDC.**

Discussion: Ms. Cornwell opined she sees no unique services the CEDC is offering in exchange for the \$65,000 cost of partnership, nor are there any guarantees being offered that small

business failure rate will change. Mrs. Lukowiak confirmed there are no guarantees; the \$65,000 fee is for only one year, the next year's participation will be looked at during the budget process. Ms. Hewitt discussed the resources that will be available to assist small businesses and reviewed the reporting CEDC will make to the CRA concerning its activities in Palmetto.

**Motion on the floor carried 3-1. Ms. Cornwell voted no.**

#### 11. CO-SPONSORED EVENTS

Ms. Varnadore inquired how not approving the co-sponsored events would affect the upcoming fair and the Christmas in the Park event. Mayor Bustle stated that in his opinion any City resources that are spent on any event would require that the organization come to City Commission for approval. Commission discussed the fair, in particular, with Mr. Lukowiak informing Commission of what Public Works does for the event. Mayor Bustle stated that if the City contributes any service, including in-kind services, the City is co-sponsoring the event. He further opined it is a city's obligation to co-sponsor some events held in its community. Ms. Varnadore inquired if the fair is exempt from a special function or special exemption permit, and if not, has anyone notified the Fair Board, what action needs to be taken by the Commission to ensure the event occurs without problems, and is the City going to perform in-kind services or will the Fair Board be billed for City services.

Ms. Varnadore inquired if she could make a motion for the #1 - #14 items on last week's agenda to be approved as the 2008 Co-Sponsored Events. Attorney Hall confirmed the same motion failed at the last Commission meeting, so the same motion cannot be made under Robert's Rules, but a motion to rescind can be made and must be approved by a majority of Commission.

**MOTION: Ms. Varnadore moved to rescind the decision of the 2008 Co-Sponsored Events. Motion failed for lack of a second.**

Ms. Varnadore inquired if the fair would be sent a bill and the organization will be notified they must come to Commission for a Noise Exception Permit.

**MOTION: Ms. Varnadore moved to rescind the decision of the 2008 Co-Sponsored Events. Mrs. Lancaster seconded for discussion.**

Discussion: Mrs. Lancaster inquired if the events that are coming up in December or January have received notice that they must come to Commission. Staff confirmed the Martin Luther King Parade has already been approved; Christmas in the Park has not come before Commission. Ms. Cornwell commented on Robert's Rule not being properly followed. Attorney Hall read that after a motion to rescind, debate as to the merits of a topic can occur. Ms. Cornwell stated personal feelings about an event is not the way to consider the topic, an equitable format must be taken for the entire slate of events. She stated she will not support the issue until all events are logically considered. Ms. Varnadore explained the criteria she used to identify items #1 - #14. Mrs. Lancaster stated a person has to be given reasonable time to know of Commission's decision. Attorney Hall instructed Commission that if the motion passes, the topic will be as if it were being newly presented for Commission's consideration. Mr. Williams suggested that if the motion is rescinded the events that have been budgeted and are slated within 60 days, could apply and Commission could accept them as having been approved. Mayor Bustle called for a vote.

**Motion on the floor carried 3-1. Mr. Williams voted no.**

Mayor Bustle confirmed that the City has no co-sponsored events.

**MOTION: Ms. Varnadore moved and Mrs. Lancaster seconded that the FY2008 Co-Sponsored Events be identified as the Manatee County Fair, Christmas in the Park and the Martin Luther King Parade.**

Discussion: Ms. Varnadore explained that her motion was for the three because the next event is normally held in March, which will give staff time to notify the organization of the need to apply for the Special Function Permit.

**Motion on the floor carried 4-0.**

#### 12. DEPARTMENT HEAD APPOINTMENTS

**MOTION: Mrs. Lancaster moved and Mr. Williams seconded to rescind the motion of the department head appointments made at the last meeting.**

Discussion: Mrs. Lancaster stated that after considering the improvements that have been made in the city, the work that is being done and the way her constituents have been responded to, she has reconsidered her vote. She stated, "If my vote would send a message to the new mayor of her confidence in the department heads, she wanted to be a part of that action." Mr. Williams opined that if a new mayor is given time to work with and evaluate the incumbent department heads, but also have the time to seek other people, the City would have the continuity it has at this time. Mayor Bustle called for a vote.

**Mrs. Lancaster and Mr. Williams voted aye. Ms. Cornwell and Ms. Varnadore voted no. Motion failed.**
