# City of Palmetto Agenda Item

Meeting Date

**Presenter:** Chief Garry Lowe

**Department:** Police Departemnt

**Title:**

The following vehicles have been replaced, in fleet service, by newer vehicles and have outlived their usefulness. All of these vehicles are still functional and have value on the used vehicle market. The vehicles in question are:

- #610 1999 Ford Crown Victoria P.I. (105,976+ miles/ odometer broken)
- #611 1999 Ford Crown Victoria P.I. (117,261 miles)
- #672 1995 Ford Crown Victoria P.I. (96, 574+ miles/ odometer broken)
- #674 1995 Ford Crown Victoria P.I. (118, 565 miles)
- #681 1995 Ford Crown Victoria P.I. (72,258 miles)

Each of these vehicles has been stripped of its police equipment and de-stripped. The police department recommends consigning these vehicles to the Tampa Machinery Auction, Incorporated, for public auction (with the vehicle sale proceeds returning to the City General Fund, per state statute). Since the Tampa Machinery Auction is a large, well publicized event that is held regularly, these vehicles can be sold quickly and their value returned to the City in a timely manner.
