**Title:**

Amended and Restated Charter and Ordinance 2010-10

**BACKGROUND:**

After nearly a year of meetings by the Charter Review Committee, the Committee recommended a number of changes to the Charter.

**DISCUSSION:**

An ordinance has been prepared with the Charter as amended and restated. Some of these were grammatical changes. The substantive changes from the current Charter are summarized by section of the current Charter as follows:

Section 3. The definitions of City and Organizational Meeting were added. The definition of Legal Resident was clarified to ensure that it is a person who has established a permanent residence in the City of Palmetto. The definition of Elector was amended to ensure consistency with Florida Statutes and to make sure that an elector is also a Legal Resident of the City. The definition of General Election was revised to be consistent with Florida law.

Section 9. This section was amended to clarify the qualification requirements for all persons running for Commission office with additional requirements for those elected by voters within a ward.

Section 10. This section was amended to clarify the powers of the Vice Mayor and to specifically state that the Vice Mayor may not exercise veto power when the Mayor is temporarily absent or disabled.

Section 12. The section was amended to clarify the requirements of office if a vacancy occurs on the Commission.

Section 13. This section was amended to reinforce that the Mayor is not a member of the Commission, but shall preside over Commission Meetings.

Section 14. This section was amended to clarify the process for vetoing an ordinance and the process for notifying the Commission and the public of such a veto.

Section 16. This section was amended to clarify the amount to which the Mayor may bid in a judicial sale. It also places a maximum time frame for any appointment to two (2) years.

Section 17. This section was amended to provide for an appointment of the Appointed Officials by the Mayor and confirmation by the City Commission. Additionally time frames for any appointments were modified to ensure the appointments cannot extend beyond the first Organizational Meeting following a General Election for the Mayor's Office. It also places limitations on possible reappointment of a person who did not receive confirmation of the Commission. A provision was also added to ensure that Commissioners are entitled to receive information from Appointed Officials as needed to conduct the duties of their office.

Section 18. This section was amended to provide that the Mayor shall be a legal resident for at least 365 days prior to the last qualifying day for office and shall remain a resident during their term of office.

Section 19. This section was amended to revise the process of selection of Mayor in the event the current Mayor becomes permanently unable to perform the duties of Mayor.

Section 20. This section was amended to provide that a City employee who runs for office shall be placed on an unpaid leave of absence until the day after the election, provided that if the person is unopposed the employee may return to work after the last day of qualifying.

Section 21. This section was amended to eliminate surplus language no longer necessary. The oath of office was amended to reflect the City has a Charter, but not a constitution.

Section 23. This section was amended to be consistent with current Florida Statutes.

Section 24. This section was amended to clarify the impact of the adoption of the amended Charter.

Sections 25 and 26 of the existing Charter were deleted as it was a transitional language which is no longer needed.

Section 30 (now Section 27). This section reflects the appropriate effective date for the Amended Charter, if approved by

the electorate.

Ordinance 2010-10 provides for placing the Amended Charter on the ballot for adoption with a proposed title and ballot question. The ballot question cannot exceed 75 words. It proposed that the Charter be placed on the November 2, 2010 General Election Ballot.
