## Section 4.06: Drug Free Workplace Program

### A. PURPOSE

1. As a part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work, and to promote a drug free community, the City of Palmetto has established this policy on the use or abuse of alcohol and drugs by its employees. This policy is set up pursuant to the Drug Free Workplace Program under Florida's Workers' Compensation Law. Substance abuse, while at work or otherwise, seriously endangers the safety of employees, as well as the general public, and creates a variety of workplace problems including increased injuries on the job, increased absenteeism, increased health care and benefit costs, increased theft, decreased morale, decreased productivity, and a decline in the quality of products and services provided. We have established this policy to prevent the use and/or presence of these substances in the workplace and to assist employees in overcoming any dependence on drugs and/or alcohol in accordance with the following guidelines.
2. As mentioned above, we are implementing this policy pursuant to the Drug Free Workplace Program under the Florida Workers' Compensation Act. This provides that an employee, who is injured in the course and scope of his employment and tests positive on a drug or alcohol test, forfeits his eligibility for medical and indemnity benefits under Florida's Workers' Compensation. (Refusal to take a drug or alcohol test will result in the employee forfeiting his eligibility for medical and indemnity benefits under Florida's Workers' Compensation Law and automatic termination of the employee.)
3. The purpose of this policy is to communicate our position on drugs and alcohol in the workplace and provide guidance for the implementation of related programs.

2. Because of state or federal laws and regulations, certain employees may be subject to additional requirements.

## C. DRUG FREE WORKPLACE POLICY DISSEMINATION

1. The City will give a general one-time notice to all employees that it is a condition of employment for employees to refrain from reporting to work or working with the presence of drugs or alcohol in his or her body and that a drug-testing program is being implemented. Sixty days will elapse between the notice and the actual drug testing.
2. Prior to testing, all employees or job applicants for employment will be given a summary of the Drug free Workplace policy, a summary of the drugs which may alter or affect a drug test and a list of local employee assistance programs and local drug rehabilitation programs.
3. A notice of drug testing will be included with all vacancy announcements for those positions where drug testing is required (want ads, job postings, etc.). A conspicuous location on city premises and copies of the policies will be made available for inspection during regular business hours by the employee or job applicant in the city personnel office.

b. ~~If a supervisor believes reasonable suspicion exists, the supervisor should report his or her findings and observations to the City Clerk. Upon approval by the City Clerk or an officer of the City, the employee will be asked to submit to a drug test and sign a form acknowledging his or her consent. (Employee packet). Factors, which substantiate cause to test, should be documented by the supervisor on the Substance Abuse Investigation Report Form. This must be done as soon as possible but no later than 7 days after the employee has been drug tested. A copy of this report will be given to the employee upon request and the original documentation will be kept confidentially by the City and retained for at least 1 year.~~

### ~~3. Random Testing~~

- a. ~~Employees in "sensitive" positions will be required to submit to drug testing on a random basis. A list of those job classifications determined to be "sensitive" will be developed by the City and kept on file in the office of the City Clerk and will be periodically updated as needed. Covered individuals will be informed in writing that they are subject to random testing due to the sensitive nature of their jobs.~~
- b. ~~Selection of employees for random testing will be conducted through the use of a random number generator or other neutral selection process.~~
- c. ~~When an employee is selected for random testing, both the employee and the employee's supervisor will be notified on the day the test is scheduled to occur.~~
- d. ~~Testing may be postponed only when an employee's supervisor and the City Clerk agree that there is a compelling need for deferral (i.e., the employee is out on leave or traveling).~~

- e. ~~An employee whose random drug test is deferred will be subject to an unannounced test within sixty days.~~

#### ~~4. Routine Fitness-for-Duty~~

~~An employee will submit to a drug test if the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the City established policy or that is scheduled routinely for all members of an employment classification or group, and approved as a prerequisite by the City.~~

#### ~~5. Follow-up Testing~~

~~If the employee in the course of employment enters an employee assistance program for drug-related problems, or an alcohol or drug rehabilitation program, the employee must submit to unannounced drug testing as a follow-up to such program, at least once a year for two years after completion of the program. Advance notice of follow-up testing will not be given to the employee being tested. If an employee voluntarily enters a program, the City, at its option, may not require follow-up testing.~~

#### ~~6. Return to Duty Testing~~

~~An Employee who does not pass a drug test cannot return to work unless:~~

- a. ~~The City, at its sole discretion, permits the employee to return to work.~~
- b. ~~The employee passes a drug test administered under this rule.~~
- c. ~~The employee agrees to participate in and successfully complete any alcohol or drug evaluation, counseling or rehabilitation program required by the City.~~
- d. ~~The employee agrees to submit to periodic, unannounced drug tests at least once a year for a two (2) year period after completion of the program.~~

e. ~~Participation in a treatment program, be it either voluntarily or pursuant to this section, will not excuse work rule violations or peer performance and an employee may be disciplined or discharged for such offenses or failure to perform.~~

7. ~~Additional Testing~~

~~Additional testing may also be conducted as required by applicable state or federal laws, rules, or regulations or as deemed necessary by the City.~~

8. ~~Refusal to Test~~

~~Employees who refuse to submit to a drug test forfeit their eligibility for all workers' compensation medical and indemnity benefits and will be terminated from employment or otherwise disciplined as provided in this policy.~~

H. ~~TESTING PROCEDURE~~

<b>Metabolites of any substances listed above.</b>	

2. ~~Job applicants and employees required to submit to drug or alcohol testing will be asked to sign a Consent to Testing form.~~
3. ~~Because of the potential adverse consequences of positive test results on employees, the City will employ a very accurate testing program. Urine and blood samples will be analyzed by a highly qualified independent laboratory, which has been selected by the City and approved by the Agency for Health Care Administration or the U.S. Department of Health and Human Services.~~
4. ~~Applicants and employees will be given an opportunity prior to and after testing to provide any information to the Medical Review Officer (MRO) which they consider relevant to the test including listing all drugs they have taken recently, listing prescribed drugs and explaining the circumstances of the use of these drugs in writing or other relevant medical information. This medical information is confidential and should be given only to the MRO. The applicants and employees will also be provided with a notice of the most common medication by brand name or common name, as well as the chemical name, which may alter or affect a drug test. Finally, applicants and employees will receive a summary of this policy and a list of local employee assistance programs and local drug rehabilitation programs.~~
5. ~~An employee injured at the workplace and required to be tested will be taken to a medical facility for immediate treatment of injuries. If the injured employee is not at a designated collection site, the employee will be transported to one as soon as it is medically feasible and specimens will be obtained. If it is not medically feasible to move the injured employee, specimens will be obtained at the treating facility under the procedures set forth in this policy and transported to an approved testing laboratory.~~

6. ~~No specimens will be taken prior to the administration of emergency medical care. Once this condition has been satisfied, an injured employee must release to the City the results of any tests conducted for the purpose of showing the presence of alcohol or drugs.~~

7. ~~Body Specimens~~

~~Urine will be used for the initial test for all drugs except alcohol and for the confirmation of all drugs except alcohol. Blood will be used as both the initial and confirmation test for alcohol. The physician will have the discretion to determine whether drawing a blood sample will threaten the health of the injured employee or if the employee has a medical condition unrelated to the accident which may preclude the drawing of the necessary quantity of blood for a testing specimen. Under these circumstances, no inference or presumption of intoxication or impairment will be made.~~

8. ~~Cost of Testing~~

~~The City will pay the cost of initial and confirmation drug tests, which it requires of employees and job applicants. An employee or job applicant will pay the cost of any additional drug tests not required by the City.~~

9. ~~Collection Site~~

a. ~~The City will utilize a collection site designated by an approved laboratory which has all necessary personnel, materials, equipment, facilities, and supervision to provide for the collection, security, chain-of-custody procedures, temporary storage and shipping or transportation of urine and blood specimens to an approved drug testing laboratory. The City may also utilize a medical facility as a collection site, which meets the applicable requirements.~~

- b. ~~Security of the collection site, chain of custody procedures, privacy of the individual, collection control, integrity and identity of the specimen, and transportation of the specimen to the laboratory will meet state and federal rules and guidelines. If the laboratory is certified by Florida Agency for Health Care Administration, Drug Testing/Chain-of-Custody/HRS Form 1806 will be used for each employee or job applicant tested. (See last four pages of Section 6.) If the laboratory is certified by the United States Department of Health and Human Services it will use the chain-of-custody form designated by the Department of Health and Human Services.~~

#### ~~10. Collection Site Personnel~~

~~A specimen in an amount sufficient for two (2) drug tests will be taken or collected by:~~

- a. ~~A physician, a physician's assistant, a registered professional nurse, a licensed practical nurse, a nurse practitioner, or a certified paramedic who is present at the scene of the accident for the purpose of rendering emergency service or treatment; or~~
- b. ~~A qualified person employed by a licensed or certified laboratory who has the necessary training and skills for the assigned tasks.~~

#### ~~11. Testing Laboratory~~

- a. ~~The laboratory used to analyze initial or confirmation drug specimens will be either licensed and approved by the Agency for Health Care Administration using criteria established by the Agency in its Drug free Workplace Standards (Fla. Adm. Code Chap. 10E-18), or the laboratory will be certified by the United States Department of Health and Human Services using criteria established by the Department of Health and Human Services.~~

- b. ~~All laboratory security, chain-of-custody, transporting and receiving of specimens, specimen processing, retesting, storage of specimens, instrument calibration and reporting of results will be in accordance with state laws and rules established by the Florida Agency for Health Care Administration or the United States Department of Health and Human Services.~~
- c. ~~The laboratory will provide assistance to the MRO, the employee or job applicant for the purpose of interpreting any positive confirmed test results.~~

## ~~-12. Initial Test~~

~~The initial screen for all drugs shall be an immunoassay except the initial test for alcohol shall be an enzyme oxidation methodology.~~

~~Levels on initially screened urine specimens, which are equal to or exceed the following shall be considered to be presumptively positive and then submitted for confirmation testing.~~

<b>Amphetamines</b>	1000 ng/mL
<b>Cannabinoids</b>	50 ng/mL
(11-nor-Delta-9-tetrahydrocannabinol-9-carboxylic acid)	
<b>Cocaine</b>	300 ng/mL
(Benzoylecgonine)	
<b>Phencyclidine</b>	25 ng/mL
<b>Methaqualone</b>	300 ng/mL
<b>Opiates</b>	2000 ng/mL
<b>Barbiturates</b>	300 ng/mL
<b>Benzodiazepines</b>	300 ng/mL
<b>Methadone</b>	300 ng/mL
<b>Propoxyphene</b>	300 ng/mL

~~The only specimen for alcohol testing shall be blood and the initially screened specimen shall be considered presumptively positive and submitted for confirmation testing if the level is equal to or exceeds 0.04g/dL.~~

### 13. Confirmation Tests

All specimens identified as presumptively positive on the initial test shall be confirmed using mass spectrometry/mass spectrometry (MS/MS) or gas chromatography/mass spectrometry (GC/MS), except that alcohol will be confirmed using gas chromatography. All confirmations shall be done by quantitative analysis. Levels on confirmation testing for urine specimen's, which are equal to or exceed the following shall be reported as positive:

<b>Amphetamines</b>	500 ng/mL
(amphetamine, methamphetamine)*	
<b>Cannabinoids</b>	15 ng/mL
(11-nor-Delta-tetrahydrocannabinolcarboxylic acid)	
<b>Cocaine</b>	150 ng/mL
(benzoylecgonine)	
<b>Phencyclidine</b>	25 ng/mL
<b>Methaqualone</b>	150 ng/mL
<b>Opiates</b>

<b>Barbiturates</b>	150 ng/mL
<b>Benzodiazepines</b>	150 ng/mL
<b>Methadone</b>	150 ng/mL
<b>Propoxyphene</b>	50 ng/mL

\* A laboratory shall not report a specimen positive for methamphetamine only. The specimen must contain amphetamine at a concentration equal to or greater than 200 ng/mL, by the confirmation test. If this criterion is not met, the specimen shall be reported as negative for methamphetamine.

\*\* Tests for 6-Acetylmorphine when the morphine concentration exceeds 2000 ng/mL.

The alcohol level on confirmation testing for blood, which is equal to or exceeds 0.04g/dL, shall be reported as positive.

## ~~I. TEST RESULTS~~

### ~~1. Reporting Results~~

- ~~a. The laboratory will report all test results (both positive and negative) to the Medical Review Officer (MRO) within seven working days after receipt of the specimen at the laboratory. The Medical Review Officer is employed by the City and not the drug testing laboratory.~~
- ~~b. The laboratory will report as negative all specimens, which are negative on the initial test or negative on the confirmation test. Only specimens confirmed positive on the confirmation test will be reported positive for a specific drug. A report will not disclose the presence or absence of any drug other than a specific drug and its metabolites listed in this policy.~~
- ~~c. The laboratory will transmit results in a manner designed to ensure confidentiality of the information. The laboratory and MRO will ensure the security of the data transmission and restrict access to any data transmission, storage and retrieval system.~~
- ~~d. The MRO will verify that positive and negative test results were properly analyzed and handled according to the Agency for Health Care Administration or U.S. Department of Health and Human Services rules. The MRO will have knowledge of substance abuse disorders and shall also be knowledgeable in the medical use of prescription drugs and in the pharmacology and toxicology of illicit drugs. The MRO shall evaluate the drug test result(s), which is reported by the lab, verify by checking the chain-of-custody form that the specimen was collected, transported and analyzed under proper procedures, and determine if any alternative medical explanations caused a positive test result. This determination by the MRO can include conducting a medical interview with the individual, review of the individual's medical history or the review of any other relevant~~

~~bio-medical factors. The MRO shall also review all medical records made available by the tested individual. The MRO may request the laboratory to provide quantization of test results.~~

- ~~e. The MRO will contact the employee or job applicant of a confirmed positive test result and inquire as to whether prescriptive or over-the-counter medications could have caused the positive test result. The MRO will follow the procedures set forth in the Workers' Compensation Drug Testing Rules and the Agency for Health Care Administration, Drug free Workplace Standards or the rules established by the U.S. Department of Health and Human Services for providing the applicant or employee the opportunity to present relevant information regarding the test results. After following the appropriate procedures, the MRO will notify the City of any verified, confirmed positive test results.~~
- ~~f. Within five working days after receipt of a positive confirmed test result from the MRO, the City will inform the employee or job applicant in writing of such positive test results, the consequences of such results, and the options available to the employee or job applicant, including the opportunity to contact the MRO and the right to file an administrative or legal challenge.~~
- ~~g. The City will provide to the employee or job applicant upon request a copy of the test results.~~
- ~~h. Unless otherwise instructed by the City in writing, all written records pertaining to a given specimen will be retained by the drug testing laboratory for a minimum of five years. The drug testing laboratory shall retain (in properly secured refrigerated or frozen storage) for a minimum period of one~~

~~year, all confirmed positive specimens. Within this one year period the City, employee, job applicant, MRO or the Department of Health and Rehabilitative Services may request in writing that the laboratory retain the specimen for an additional period of time. If no such request is received, the laboratory may discard the specimen after one year of storage.~~

- ~~i. Within seven days for all tests based on reasonable suspicion, the City will detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant the testing. A copy of the report will be given to the employee upon request. The original report will be kept confidential and retained by the City for at least one year.~~

## ~~2. Challenges to Test Results~~

- ~~a. Within five working days after receiving notice of a positive confirmed test result, the employee or job applicant may submit information to the MRO explaining or contesting the test results, or to the City explaining why the test result does not constitute a violation of this policy. The employee or job applicant will be notified in writing if the explanation or challenge is unsatisfactory. The written notice will be given to the employee or job applicant within fifteen days of receipt of the explanation or challenge, and will include why the employee's or job applicant's explanation is unsatisfactory, along with the report of positive results. All such documentation will be kept confidential and will be retained for at least one year.~~
- ~~b. When an employee or job applicant undertakes an administrative or legal challenge to the test results, he or she will be responsible to notify the City and laboratory in writing of such challenge and such notice shall include reference to the chain-of-custody specimen identification number. After such notification, the sample shall be retained by the laboratory until the case or administrative appeal is settled.~~

- e. ~~The Agency for Health Care Administration, the City or the MRO detecting a false positive error shall immediately notify the laboratory and the Department of any such error.~~

### ~~3. Employee Protection~~

- a. ~~During the 180-day period after written notification of a positive test result, the employee will be permitted by the City to have a portion of the specimen retested, at the employee's expense. Any additional tests, however, must be conducted on the same specimen as the original test. The retesting must be done at a Florida Agency for Health Care Administration (HCA) or United States Department of Health and Human Services licensed and approved laboratory. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory, which performed the test for the City, will be responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain-of-custody for such transfer.~~
- b. ~~The drug testing laboratory will not disclose any information concerning the health or mental condition of the tested employee.~~
- c. ~~The City will not request or receive from the testing facility or the MRO any information concerning the personal health, habit or condition of the injured employee including, but not limited to, the presence or absence of HIV antibodies in the injured worker's body fluids.~~
- d. ~~The City will not discharge, discipline, refuse to hire, discriminate against, or request or require rehabilitation of an employee or job applicant on the sole basis of a positive test result that has not been verified by a confirmation test and by a Medical Review Officer.~~

- e. ~~The City will not discharge, discipline or discriminate against an employee solely upon the employee's voluntarily seeking treatment, while under the employ of the City, for a drug-related problem, if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered an alcohol and drug rehabilitation program. The City retains the right to select an EAP or drug rehabilitation program when the City pays the cost of the employee's participation in the program.~~
- f. ~~All authorized treatment of an injured employee prior to reasonable notice of the denial of benefits will be paid to the health care provider by the carrier or self-insurer. Prior to denying medical and indemnity benefits based upon a positive test result, the City workers' compensation carrier or self-insurer will give reasonable notice to all affected health care providers that payment for treatment, care and attendance provided to the employee after a future date certain will be denied.~~

#### J. EMPLOYEE ASSISTANCE PROGRAM

~~The City will maintain an Employee Assistance Program (EAP) to be administered by the office of the City Clerk.~~

In addition, an employee is prohibited from off-premises use of alcohol, possession, use and/or sale of all illegal drugs including prescription drugs when such activities adversely affect job performance, job safety or interfere with the City's ability to carry out its mission. Such violations include, but are not limited to, possessing illegal and non prescribed drugs and narcotics or alcoholic beverages at work; being under the influence of such substances while working; using them while working; dispensing, distributing or illegally manufacturing or selling them on City premises, work sites or in City vehicles.

5. All applicants being considered for employment are subjected to a pre-employment physical and drug test. If an employee's job classification requires an annual physical, the employee will be required to submit to a drug test as part of the physical. All positions that require a commercial driver's license (CDL) will require annual random drug and/or alcohol testing.

6. An employee may be required to take a drug test at any time to determine the presence of drugs in accordance with the reasonable suspicion alcohol and/or drug testing provisions of this program.

7. An employee who is arrested for and charged with any criminal

drug and/or alcohol violation must report such arrest or charge to their supervisor and/or the Office of Human Resources within 72 hours. Failure to report this information may result in disciplinary action up to and including termination.

An employee's supervisor should report immediately (during that working shift) to his/her department head and/or Director of Human Resources any action by any employee who demonstrates an unusual behavior pattern. An employee believed to be under the influence of drugs and/or alcohol will be required to submit to a drug and/or alcohol test. The supervisor will arrange safe transit to the approved City collection site.

9. An employee who uses legal and/or prescribed drugs during working hours or has any reason to expect such use may affect their ability to perform their work must report this fact to their supervisor. 13. An employee who is injured on the job who refuses to test or who receives a confirmed positive test will forfeit all rights to Workers Compensation medical and indemnity benefits.

#### B. Testing

## 1. Pre-Employment (Pre-Duty) Testing

a. For purposes of this section, the term "applicant" shall include City employees who have been selected for internal promotions to vacant positions or those that have been reassigned or transferred.

b. Job offers made to applicants (post-offer) are contingent upon the applicant successfully passing a drug and/or alcohol screening prior to commencing employment.

c. If the applicant fails to pass the pre-employment drug and/or alcohol screening, he/she will be disqualified from further consideration for employment and shall remain ineligible for employment with the City for six (6) months from the date of the initial positive test results. An applicant who fails to submit to the required pre-employment drug and/or alcohol test shall be denied further consideration for the position for which he/she applied.

## 2. Reasonable Suspicion Drug Testing

If required, all City employees, including those in safety-sensitive and special risk positions, will submit to a drug and/or alcohol test for reasonable suspicion of drug and/or alcohol use.

Reasonable-suspicion drug testing means drug testing based on a belief that an employee is using or has used drugs in violation of the City of Palmetto Drug Free Workplace Policy. An employee may be drug tested for reasonable suspicion based upon the following:

a. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.

b. Abnormal conduct or erratic behavior while at work, which may include a significant deterioration in work performance.

c. A report of drug use, provided by a reliable and credible source (e.g. law enforcement).

d. Evidence that an employee has tampered with a drug test during their employment with the current employer.

e. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery, or equipment.

f. For a reasonable suspicion drug test on an employee, the supervisor must complete the following steps:

(1) Complete a Reasonable Suspicion Observation Form, detailing specific observations as described above. The form requires the name and signature of two supervisors observing the questionable behavior.

(2) Report the incident to the Department Director and the Office of Human Resources.

(3) Remove the employee from the worksite immediately and escort the employee to the designated specimen collection site (City of Palmetto's authorized collection site) for a drug test.

(4) Present a completed Reasonable Suspicion Drug Test Form to the designated specimen collection site at the time of the test and forward a copy to the Office of Human Resources.

(5) Place the employee on administrative leave with pay status, until the confirmed test results are obtained.

### 3. Post Vehicle Accident Drug Testing

All employees, including safety sensitive employees, will be drug and/or alcohol tested immediately following a vehicle accident.

a. The supervisor or designee will escort the employee to the City of Palmetto authorized collection site immediately following the local authorities' completed crash investigation.

b. If an employee receives emergency medical treatment following a vehicle accident, the following time frames apply for post accident vehicle drug and alcohol tests:

(1) A post vehicle accident alcohol test needs to be administered as soon as practicable, but within four (4) hours following the vehicle accident. If the alcohol test is not administered within the four (4) hours, the supervisor will include information why the testing was not performed within the four (4) hour period on the City of Palmetto Property Damage Report - Supervisor Investigation.

(2) A post vehicle accident drug test needs to be administered as soon as practicable, but within thirty-two (32) hours following the vehicle accident. If the drug test is not administered within the thirty-two (32) hours following the accident, the supervisor will include information why the testing was not performed within the thirty-two (32) hour period on the City of Palmetto Property Damage Report - Supervisor Investigation.

### 4. Routine Fitness for Duty/Follow-up Drug Testing

All employees who are afforded an opportunity to receive rehabilitation and complete a treatment program as a result of violating this policy will be required to successfully pass a re-test for drug and/or alcohol before returning to their job duties.

Follow-up testing will be randomly conducted for a one year period after completion of the program. Advance notice of a follow-up testing date will not be provided to the employee.

#### 5. Safety-Sensitive and Special Risk Drug Testing

Safety-sensitive and special risk, describe positions in which a drug impairment constitutes an immediate and direct threat to public health or safety, such as a position in which a momentary lapse in attention could result in injury or death to another person.

City of Palmetto's safety-sensitive and special risk positions require a pre-employment physical and drug test. The employee, as a part of pre-employment process, will proceed to the designated specimen collection site. Employment with City of Palmetto is contingent upon successfully passing the pre-employment physical and drug test.

a. Safety-sensitive and special risk positions are subject to a random drug and/or alcohol test annually after pre-employment (e.g., CDL & police positions).

b. Special risk positions are subject to a physical, drug and alcohol test annually after pre-employment e.g., (Police position).

If an employee in a safety-sensitive or special risk position enters an Employee Assistance Program or drug rehabilitation program of their own free will and not as a result of an injury/accident or reasonable suspicion, the employee will be assigned a position other than a safety-sensitive or special risk position or, if such position is not available, the employee will be placed on leave while the employee is participating in the program. The employee shall be permitted to use his/her accumulated annual and sick leave credits before leave may be ordered without pay.

#### 6. Random Drug Testing

Employees whose safety-sensitive position requires a Commercial Drivers License (CDL) must comply with an annual random drug and/or alcohol test. Each calendar year, the City will randomly select and test 50% of the total number of safety-sensitive employees for drugs, and 25% for alcohol.

a. The selection of employees for random alcohol and/or drug testing shall be made by a purely random method, such as a computer-generated random number table. Each employee shall have an equal chance of being tested each time selections are made. The random program will generate two (2) lists of numbers, a primary list and a secondary list.

b. Human Resources will match the primary number list to a corresponding list of safety-sensitive employees (positions requiring a CDL). The secondary number list is used only if the employee on the primary list is not available within three (3) calendar days of the generation of the random numbers list.

c. Human Resources Department will provide a Notification for Random Drug and/or Alcohol Testing Form containing the name of the employee to be tested to their supervisor. After being contacted by the supervisor and presented a copy of the Notification for Random Drug and/or Alcohol Testing Form the employee will be escorted to the City's designated specimen collection site immediately for the drug or alcohol testing.

d. The designated specimen collection site will be informed of the names to be tested by Human Resources. The employee will present the Notification for Random Drug and/or Alcohol Testing Form, his/her City I.D. or driver's license to the Drug Screen Coordinator upon arrival at the designated specimen collection site.

e. Employees will not be given advance notice regarding the random drug and/or alcohol test. Any employee not available for a minimum of three (3) calendar days due to illness or annual leave shall be placed back into the pool and the next number (and corresponding name/person) from the secondary random list will be screened.

#### C. Designated Collection Site

All pre-employment physicals and alcohol and/or drug tests are conducted by City of Palmetto's authorized healthcare provider which acts as the collection site. Technicians are trained in the appropriate chain of custody procedures and can provide documentation if required. All test results are reviewed and verified by a Medical Review Officer (MRO) (Licensed Physician). Employees and job applicants should report the use of prescription or non-prescription medications to the Medical Review Officer. Every reasonable effort will be made to obtain the most accurate test results while affording the employee privacy during the collection process. Testing will be done in accordance with provisions of applicable law.

The Medical Review Officer is designated by the Healthcare Provider and functions independently of the City. The MRO's qualifications include a demonstrated knowledge of substance abuse disorders and appropriate medical training to interpret and evaluate a combination of an individual's positive drug and/or alcohol test results and his/her medical history and other relevant biomedical information in order to make an accurate review and/or analysis of the drug test results.

1. If the designated specimen collection site is not open and after hours testing is required as a result of reasonable suspicion or post accident/injury, the supervisor will follow the established protocol:

a. Supervisor will complete the Reasonable Suspicion Observation Form and appropriate Property and Liability report(s) for post accident/injury testing, if applicable.

b. The supervisor is required to call the designated specimen collection site after hours phone number, and then immediately escort the employee to the designated specimen collection site's location.

c. Supervisor will inform the Department Director and the Office of Human Resources as soon as possible during normal business hours.

#### D. Over the Counter or Prescription Drugs

The employee must notify his/her supervisor if they have been prescribed a drug for a medical or other condition which could impair their ability to perform their job. If it is determined that the employee is unable to perform his/her job due to impairment caused by the medication, the employee should apply for appropriate leave or discuss alternative job duties that would not cause a safety concern with their supervisor. An employee and job applicant should confidentially report the use of prescription or non-prescription medications to the City's Medical Review Officer (MRO) when contacted by the MRO. This information will be interpreted in order to determine test results.

#### E. Positive Test Results

If the drug test of a City of Palmetto employee is confirmed as positive, the employer's Medical Review Officer (MRO) shall provide technical assistance to the employee for the purpose of interpreting the test result to determine whether the results could have been influenced by prescription or nonprescription medication taken by the employee.

#### 1. Challenge Test Results

a. An employee or job applicant who wishes to challenge test results is responsible for notifying the City's designated specimen collection site of an administrative challenge or civil action brought pursuant to Florida Statute, Section 440.102.

b. An employee or job applicant may contest test results pursuant to the rules adopted by the Department of Labor and Employment Security.

c. Any additional laboratory testing resulting from a challenge to the test shall be at the employee's or job applicant's expense.

#### F. Confidentiality and Record Maintenance

The results of drug and/or alcohol tests shall not be included in an applicant's or an employee's personnel file but shall be retained by the Office of Human Resources in a separate medical file, exempt from public inspection.

#### G. Searches

Everyone is concerned about personal security and the security of the workplace. Workplace security is a responsibility shared by the City and all employees. The City may request the cooperation of an employee in agreeing to a search of personal property such as packages, briefcases, purses and similar containers as well as private vehicles parked on City property. City supervisory and managerial employees have the right to enter or search City property with or without notice, including desks, lockers, computers, phones and e-mail. Generally, there shall be no expectation of privacy while on any City property or of any property brought onto City premises. This delicate balance between privacy and security is something important to everyone and cooperation is needed from all employees.

#### H. Communication of this Procedure

All employees will receive a copy of this procedure. All employees shall sign an Acknowledgment and Consent Form stating that they have received a copy of this Drug Free Workplace program. The form will be placed in the employee's personnel file. The Office of Human Resources will be responsible for coordinating drug and/or alcohol awareness programs and shall be responsible for answering employee questions regarding the City's Drug Free Workplace Policy and Procedure. Employees are encouraged to discuss this policy with their supervisors and/or managers.

The City of Palmetto Drug Free Workplace Policy poster will be

posted on all work location bulletin boards.

#### I. Training

All new employees to City of Palmetto receive training on the Drug Free Workplace Policy and Procedures during New Employee Orientation. Drug Free Workplace training will be conducted annually to all current employees and supervisors.

#### VI. RESERVATION OF AUTHORITY .

The authority to issue or revise this Drug Free Workplace Program is reserved to the Mayor and City Commission.

Human Resources will prepare forms to carry out the provisions of this policy and program.

#### K. INVESTIGATION

1. To ensure that illegal drugs and alcohol do not enter or affect the workplace, the City reserves the right to search all vehicles, containers, lockers, or other items on City property in furtherance of this policy. Individuals may be requested to display personal property for visual inspection upon City request.
2. Searches will be conducted only where the City has reason to believe that the employee has violated the City substance abuse policy.
3. Failure to consent to a search or display personal property for visual inspection will be grounds for discharge or denial of access to City premises.
4. Searches of an employee's personal property will take place only in the employee's presence. All searches under this policy will occur with the utmost discretion and consideration for the employee involved.
5. Individuals may be required to empty their pockets, but under no circumstances will an employee be required to remove articles of clothing or be physically searched.
6. Because the primary concern is the safety of its employees and their working environment, the City will not normally prosecute the employee in matters involving illegal substances. However, the City

~~will turn over all confiscated drugs to the proper law enforcement authorities. Further, the City reserves the right to cooperate with or enlist the services of proper law enforcement authorities in the course of any investigation.~~

~~I. ARREST OR CONVICTION FOR DRUG-RELATED CRIME~~

~~1. If an employee is arrested for or convicted of a drug-related crime, the City will investigate all of the circumstances; and City officials may utilize the drug-testing procedure if cause is established by the investigation. In most cases, an arrest for a drug-related crime constitutes reasonable suspicion of drug use under this policy. The following procedures will apply:~~

~~a. During investigation, an employee may be placed on leave without pay. After the investigation is completed, the leave may be converted to a suspension or the employee may be reinstated depending upon the facts and circumstances;~~

~~b. If convicted of a drug-related crime, an employee will be terminated;~~

c. ~~If an employee has been suspended and the case has been dismissed or otherwise disposed of, the City will make a determination as to whether to authorize the employee's return to work based on its investigation. If the employee is authorized to return to work, the employee must agree in writing to unannounced, periodic testing for a period of up to 2 years.~~

d. ~~Because of the seriousness of such situations, the City reserves the right to alter or change its policy or decisions on a given situation depending upon its investigation and the totality of the circumstances.~~

2. ~~As a condition of employment, an employee will notify the City Clerk of any criminal drug statute conviction for a violation, which occurred on City premises. The employee must give notice to the City within five days of such conviction.~~

#### M. ~~CONFIDENTIALITY~~

~~All information, interviews, reports, statement memoranda and drug test results, written or otherwise, received by the City as a part of this drug testing program are confidential communications. Unless authorized by state laws, rules or regulations, the City will not release such information without a written consent form signed voluntarily by the person tested. This right to confidentiality does not apply when the information is used by the City as a defense in a civil or administrative matter.~~

#### N. ~~RECORDS AND TRAINING~~

1. ~~The City will maintain a current resource file of providers of employee assistance including alcohol and drug abuse programs, mental health providers, and various other persons, entities or organizations designed to assist employees with personal or behavioral problems. The City will inform employees and new hires about various employee assistance programs that the City may have available. The information shall be made available at a reasonable time convenient to the City and shall be discreetly reviewed by the employees.~~

2. ~~The City will provide an annual education course to assist the employees in identifying personal and emotional problems which may result in the misuse of alcohol or drugs. This course will also include a presentation on the legal, social, physical and emotional consequences of the misuse of alcohol or drugs.~~

9. ~~CONCLUSION~~

~~The City drug free workplace policy has been prepared so as not to conflict with public policy and, further, not to be discriminatory or abusive. A drug free workplace should be the goal of every employer in America. Drug and alcohol testing is only one of the several steps that must be taken to achieve this objective. When incorporated into a comprehensive anti-drug effort, testing can go a long way in combating drug and alcohol abuse in the workplace.~~

~~THIS POLICY SUPERCEDES ANY INFORMATION PROVIDED TO APPLICANTS AND/OR EMPLOYEES, EITHER WRITTEN OR ORAL. THE EMPLOYER RESERVES THE RIGHT TO CHANGE THE PROVISIONS OF THIS POLICY AND TESTING PROGRAM AT ANY TIME IN THE FUTURE.~~

Section 4.07: Harassment Policy

A. Policy

1. The City of Palmetto is committed to providing workplaces that are non-discriminatory and afford equal treatment to all. The City will not condone or tolerate illegal discriminatory behavior. 3. All administrative and supervisory personnel are expected to abide by the City's commitment to equal opportunity and treatment under the law and to ensure that this policy is fully implemented and enforced.

4. Due to the severity of illegal discriminatory conduct, and the legal questions which are often involved in investigating such conduct, the procedures in this policy shall be used in investigating and dealing with illegal discrimination complaints. The City's general complaint procedure shall not be used to address such complaints, except that an adverse result under this section may be the basis of a grievance which will proceed according to Article 6.

#### B. Definitions

2. Sexual harassment is generally defined as abusive treatment of an employee by the employer or by a person or persons under the employer's control, which would not occur but for the person's gender, when:

C. Procedure

- 1. Any employee who believes that he or she is being, or has been, illegally discriminated against, or harassed should file a complaint in a timely manner with the Human Resources Director.

2. Departmental directors, managers and supervisors are responsible for bringing any allegations or concerns related to potential cases of illegal discrimination or harassment to the immediate attention of the Human Resources Director.
3. The Human Resources Director will be responsible for evaluating all complaints under this policy and making the determination of whether or not an internal investigation is warranted. In cases where the decision is made not to ~~not~~-investigate, that decision will be reviewed by the Mayor (or in his/her absence the Vice Mayor). In cases where such an investigation is determined to be warranted, the Mayor (or in his/her absence the Vice Mayor) will designate an appropriate person or persons who shall be responsible for conducting a prompt, thorough and objective investigation.
4. All employees who are questioned during the course of an investigation are obligated to cooperate in a full and honest manner. No employee shall face any form of reprisal for making a complaint, or for his or her cooperation with an internal investigation. Employees who either refuse to cooperate in an internal investigation, or who intentionally give false information at any point within an internal investigation, shall be subject to disciplinary action up to and including termination.
5. Once an internal investigation has been concluded, the Human Resources Director will review the investigator's written report with the Mayor (or in his absence the Vice Mayor) and appropriate senior staff, to include the department head(s) at-interest and a representative of the City Attorney's Office. This panel will determine the remedial action to be taken, if required. A final written report containing final findings and the actions taken will be generated at the conclusion of the investigation and review, with a copy provided to the complainant. Individuals against whom allegations were raised will likewise be entitled to receive a copy of the final report upon request.
6. Once an investigation has been concluded, it shall be the responsibility of the department head at-interest to implement the remedial actions, which were determined by the review panel to be

7. The internal complaint and investigation process does not preclude an aggrieved employee from filing a complaint with the United States Equal Employment Opportunity Commission and/or the Florida Commission on Human Relations.
8. The City recognizes that certain matters of concern to employees may involve his/her immediate supervisor and be of such a private or personal nature that employees may not wish to discuss them with certain supervisors or other members of management. In such cases, anthe employee may bypass the appropriate step in the procedure and bring the problem directly to the next level supervisor level in the procedure.

For the purpose of this article, Progressive Discipline will consist of: Oral Instruction and Cautioning, Written Reprimand, Suspension, Demotion, and Dismissal.

- a. Instruction and Cautioning: An employee may be instructed and cautioned, as defined in these Rules and Regulations, by his/her supervisor, when that employee has violated any cause for dismissal, suspension, demotion or rejection as provided in Article 5.
- b. Reprimands: An employee may be reprimanded, as defined in these Rules and Regulations, by his/her supervisor, when that employee has violated any cause for dismissal, suspension, demotion or rejection as provided in Article 5.

Section 5.02.01 Pre-Determination Hearing, Pre-Suspension, Pre-Demotion or Pre-Dismissal Hearing:

In initiating a potential suspension, demotion or dismissal to an employee as provided in Article 5, the employee is to be given a Pre-Determination hearing by the Department Head in which the employee is allowed to explain the cause for the conduct/behavior.

- A. Procedure: The Pre-Determination hearing is to be informal and conducted by the Department Head at his/her location without extensive witnesses, court reporters or lawyers. Notes on the hearing are to be made and witnessed whenever possible.
- B. The Department Head shall give a copy of the specifications and charges of the violation to the employee prior to the Pre-Determination hearing and allow reasonable time for the employee to study the charges and prepare for conference, at which the employee shall have the right to representation of his/her choice.
- C. The Department Head shall conduct the Pre-Determination hearing and shall give due consideration to the comments of the employee before initiating the required personnel action papers. The Department Head shall inform the employee of the right of appeal under this Article. In

addition, where the personnel action papers will result in dismissal, suspension, or demotion and when the circumstances in question meet the criteria set forth in Article 5, the Department Head shall also give the employee notice that the employee has a right to request a Name-Clearing Hearing and may request that the appeal be used for that purpose, even though the employee does not choose to appeal the suspension, demotion or dismissal.

A Supervisor may suspend any employee and any such suspension shall be given in writing to the Director of Human Resources for recommendation and the approval of the Department Head before taking effect. The employee shall receive a copy of the notice of suspension. The reason or reasons shall be the same as the reasons for dismissals, demotions and suspensions as set forth by this Article. - A. The demoted employee may receive less compensation than the rate of compensation before demotion but not in excess of the maximum for the class of positions to which the employee has been demoted. The level of compensation is to be determined on the basis of the skill, knowledge and experience of the employee, giving adequate consideration to the pay structure for the proposed position and shall not be based on consideration of age, sex, race, creed, religion, national origin, marital status or physical disability, except where age, sex marital status and physical requirements are bona fide occupational qualifications.
- B. An employee may be granted a demotion upon his/her request and such demotion shall be termed and recorded as voluntary. The reason or reasons for any demotion shall

Such reason or reasons shall be the same as the reasons for dismissals, demotions and suspensions as set forth by this Article.

- C. The Department Heads, for their respective employees, may require that a demotion to a vacant position be made in lieu of a layoff where deemed to be in the best interest of the City. The Department Head shall give the employee notice, and the notice must comply with the requirements of Section 6.04.03.

A. Policy:

It shall be the policy of the City to be fair and uniform in the disposition of discipline to employees who do not comply with city administrative regulations, departmental policies and procedures, and personnel rules and regulations. The following, therefore, is to be viewed as the standard for the application of the disciplinary action described in this section:

B. Supervisor Responsibility:

Supervisors are responsible for monitoring the work conduct and job performance of their employees.

Department Heads are responsible for managing their supervisors in the formulation of conduct and job performance standards and the administration of discipline within their departments.

The Director of Human Resources is responsible for monitoring all employee disciplinary actions in the City and shall recommend to the Department Heads, for their respective employees, appropriate personnel action to ensure that basic employee rights are protected.

C. Progressive Discipline Administration:

Since each violation of a department work rule or City directive may differ somewhat from similar situations, each offense/occurrence shall be evaluated upon its individual merit. This rule as outlined herein, is not to be construed as a limitation upon the disciplinary action of the City, but is to be used solely as a guide for disciplinary administrative action.

Consideration shall be given to the severity of the violation/offense, the cost involved, the time interval between violations, the service record and the attitude of the employee towards management. Administrative disciplinary action shall be processed as provided in Article 5, Section 5.02.

#### Section 7.05: Exempt Work During Emergencies and Natural Disasters

Under certain occasional emergency conditions, work which is normally performed by non-exempt employees, and which is non-exempt in nature, will be directly and closely related to the performance of the exempt functions of management and supervisors, and will therefore be exempt work. A supervisor or Department Head who is exempt under the Wage and Hour Law and who performs work of a normally non-exempt nature on rare occasions because of the existence of a real emergency will not, because of the performance of such emergency work, cease to be exempt when conditions beyond control arise which threaten the safety of employees or create a cessation of services to the public, or serious damage to City property. Any manual or other normally non-exempt work performed in an effort to alleviate the emergency condition will be considered to be exempt work and is not included in computing the percentage limitation in determining whether the supervisor or

- B. Department Hheads are authorized to adjust day to day schedules as needed to accomplish work objectives and to minimize overtime.

Overtime may be authorized by department heads in emergency or extraordinary situations and shall be compensated as provided in Article VII. Emergency or extraordinary situations for purposes of this section are defined as:

- A. Where an established post of duty must be covered 24 hours per day, and an employee is not available to cover that post on a given shift.

Section 8.03: Work Breaks

- A. A Ddepartment Hhead may allow employees one work break during the first half of the daily work period and one work break during the second half of the daily work period, provided that:
  - 1. No single work break shall exceed 15 minutes absence away from the employee's duty station.

3. Neither work break time nor lunch time shall be authorized for covering an employee's late arrival on duty or early departure from duty.

B. Work breaks are based upon workload and may be discontinued at the discretion of the immediate supervisor or Ddepartment Hhead.

#### Section 8.04: Overtime

A. Overtime for non-sworn employees is time worked in excess of 40 hours during the workweek. Overtime for sworn officers is time worked in excess of 86 hours in the pay-period.

B. The Ddepartment Hhead or designee shall attempt to arrange the work schedule of each work unit so as to reduce to a minimum the necessity for overtime except in emergency or extraordinary situations. Unless specifically authorized by the immediate supervisor or other appropriate supervisory authority, employees shall refrain from arriving at work early, leaving work late, working through lunch periods or taking work home.

C. All overtime shall be authorized or directed in advance by the Ddepartment Hhead or authorized supervisor.

D. In the event of an emergency situation, overtime assignments shall be mandatory at the discretion of the Ddepartment Hhead.

E. Notwithstanding the foregoing, all employees shall keep records that reflect the actual amount of time they performed work for the City whether authorized or not. Employees should be aware that working overtime without authorization could result in disciplinary action up to and including discharge.

#### Section 8.05: Controlling Overtime

A. Time off is an adjustment to the regular work schedule in order to avoid overtime by limiting the number of hours worked in a work week to 40 for non-sworn and 86 in a pay-period for sworn. Time off will not be counted as

time worked for purposes of determining overtime for that week.

- B. Time off during the pay week may be directed by the Department Head or authorized supervisor in order to limit total hours worked during that workweek to 40 for non-sworn employees or 86 per pay-period for sworn officers whichever is appropriate.
- C. Department Heads shall, to the extent practicable, use time off to avoid overtime situations.

Employees who request the use of time off shall be allowed to take the time off within a workweek, ~~reasonable period of the request~~, provided the time off does not unduly restrict the operations of the employee's department. This determination will be at the sole discretion of the Department Head.

Employees who request time off in the form of flextime (time off hour for hour) during a single week for non-sworn employees, or per pay-period for sworn officers in lieu of accruing compensatory time or overtime shall be allowed to take the time off within the workweek provided the time off does not unduly restrict the operations of the employee's department. This determination will be at the sole discretion of the Department Head. If the flextime is not given in the same week, it shall be converted to comp time at time and one half.

#### Section 8.06: Authorized Leave

2. If the employee is unable to resume work at the end of the six (6) day period following the day of the injury, the employee may:

- a. Elect to use accrued sick, compensatory, or annual leave benefits which may be designated Family Medical Leave as defined in Section 8.06 N.2.b., in an amount necessary to receive a combined payment with workers' compensation benefits equal to the salary received prior to the occurrence of the disability or injury.

#### F. Annual Leave.

The purpose of annual leave is to provide employees assigned to established positions an opportunity to be absent from work for approved absences without loss of pay or benefits. Approved "vacations" are beneficial to employees and to the City. Each employee is encouraged to take annual leave in sufficient increments as to allow sustained time away from normal work activities.

##### 1. Award of Annual Leave.

The rate of accrual for full-time employees is based on the annual number of budgeted regular hours. Accrual is calculated at an hourly rate and credited on a bi-weekly basis based on hours paid during the pay period, not to exceed the number of regular hours budgeted. Full-time employees shall be awarded annual leave as follows:

<u>Continuous Service</u>	<u>Hours Awarded per Year</u>

2. An employee who has been reemployed by the City is considered to be a new employee for purposes of earning annual leave credits. After a reemployed employee has been continuously reemployed for a period of 12 months, the employee shall be credited with continuous and creditable service with the City prior to the break in service.
3. Annual leave awarded during any pay period shall be credited to the employee on the last day of that pay period or, in the case of separation, on the last day the employee is on the payroll.

G. General Provisions Governing Annual Leave.

1. The time for taking annual leave is a matter to arrange with an employee's immediate supervisor and depends on the department's work schedule and fairness in allocating time off to all department employees. All requests for annual leave shall be approved in advance by the employee's Department Head or authorized supervisor.
2. Use of annual leave shall not be authorized prior to the time it is earned and credited to the employee.
3. Upon reasonable notice, a department head may require any employee to use any part of the employee's accrued annual leave for vacation purposes. Each Department Head should make every effort to ensure that awarded annual leave is used on a current yearly basis in order to provide employees with vacation and proper rest and relaxation. By following this practice, employees will not normally accrue annual leave in excess of that earned each year.
4. Upon reasonable notice, a Department Head may require any employee to use any part of the employee's accrued annual leave for vacation purposes

Each department head should make every effort to ensure that awarded annual leave is used on a current yearly basis in order to provide employees with vacation and proper rest and relaxation. By following this practice, employees will not normally accrue annual leave in

1. Non-probationary full-time employees who separate from City service shall be paid for any unused annual leave not to exceed 360 hours regardless of time accrued.
2. In the event of the death of any employee, payment for all unused annual leave at the time of death shall be made to the employee's beneficiary, estate, or as provided by law.

3. Holiday leave shall not accrue and shall be paid in the workweek in which it is credited.

J. Payment for Work on Holidays.

1. A non-exempt employee required to work on a holiday shall be compensated at one and one-half times the employee's hourly rate for all hours worked on the holiday.

2. An exempt employee who is required to work on a holiday may be given another day off during the same pay period in which the holiday falls.
3. Employees who are on approved leave with pay when holidays are observed shall not have such days charged against their leave.

K. Accrual of Sick Leave

1. Full-time employees shall accrue 96 hours of sick leave per year.
2. Sick leave accrued during any pay period shall be credited to the employee at the end of the pay period.
3. Sick leave can be accumulated up to a maximum of 960 hours. When an employee's accrued sick leave balance is in excess of 960 at the close of the calendar year, all such accrued sick leave in excess of 960 hours shall be canceled.

L. General Provisions Governing Sick Leave.

~~Sick leave will be used in no less than one (1) hour increments.~~

1. Notification of absence due to illness, injury or exposure to a contagious disease shall be given to the appropriate supervisor by the employee as soon as possible on the first day of absence. Failure to notify appropriate supervisory personnel as required may be considered grounds for denial of sick leave.
2. Use of sick leave may be used to care for the illness of any immediate family member but shall not be authorized prior to the time it is credited to the employee and shall only be used with the approval of the department head or authorized supervisor.

3. Sick leave is to be used only for the purposes for which it is intended. Any employee who abuses sick leave will be subject to discipline up to and including discharge. Any employee who is on sick leave for three or more consecutive days may, at the sole discretion of the Human Resources Director, be required to obtain a certificate from a licensed medical doctor stating that the employee is unable to perform his regularly assigned duties. The certification should indicate a date by which the employee will be fit to return to work. Medical certification may be required for shorter periods of absence if the employee's department head or authorized supervisor determines the employee has abused sick leave. Nothing in this section should be construed to interfere with any rights conferred under any employment law.
4. An employee who becomes ill while on approved annual leave or compensatory leave may be allowed to use accrued sick leave credits to cover the period of illness; however, an employee who is on any other type of leave, with or without pay, shall not be allowed to use sick leave credits while on such leave.

M. Sick Leave Buy-Back.

1. Subject to available budgeted funds, it is the intent of the City Commission to buy back unused sick leave as an incentive for the employee to come to work on a regular and consistent basis, while retaining the availability of this benefit. Accordingly, this buy-out will be used on the following basis:
  - a. The employee must have accumulated at least 240 hours of sick leave as of June 30 of each year.

- b. The employee must have used no more than 24 hours of sick leave in the prior year from July 1 to the following June 30.
  - c. Up to one-half (48 hours) of the amount accrued (96 hours) but not used during the period set forth above may be bought at the employee's pay rate in effect as of the date of payment and the hours bought will be deducted from the employee's sick leave balance.
  - d. Payment will be made as part of a payroll following the close of the fiscal year, generally at the first payroll period in December.
  - e. In the event of the retirement or death of an employee eligible for sick leave buy back, payment shall be made to the employee or to the employee's beneficiary, estate or as provided by law.
- 2. For purposes of this subsection, the term "subject to available funds" shall mean such amounts, if any, budgeted for buy-back of sick leave as may be appropriated by the City Commission in its annual budget process.
  - 3. Upon termination of employment for any reason except retirement or death, any accrued sick leave credits become void. Upon retirement or death, an employee will be paid for one-half of his accrued sick leave up to a maximum of 480 hours. Payment shall be at the base hourly rate of pay of the employee at retirement or death. Any vested employee leaving employment with the City and leaving his pension money in the fund to collect at a later date, shall be considered retired and shall be entitled to one-half of the accrued balance of sick leave. If a vested employee returns at a later date and wishes to withdraw his money from the fund, all monies paid for accrued sick leave must be paid back to the City.
