Subject: RE: First Friday Car Show

Jane,

We did not have any problems reported to us during the event on Friday night. I would also like to clarify any misunderstanding in reference to the coffee bus, which was discussed at the November meeting. The Palmetto Police Department never had an issue with the bus being parked on 5th Street, when that roadway was blocked off for your event. The issue dealt only with the bus being park across 10th Avenue, which is a main thoroughfare that emergency vehicles often use when responding to incidents. If you could not succeed with the car show and will be glad to assist you in any way possible. Thanks!

Dear Chief Wells,

I just wanted to touch base with you following last Friday night's car show to ensure that there were no reported issues. We heard of no problems from your department or officers on the night but I did want to ensure that before we go in front of the City Commission again for the Noise Exception Permit that there were no issues going to be brought up at that meeting that we had not heard about.

Thank you so much in advance for your service and co-operation.

We look forward to seeing you during the upcoming MLK weekend celebrations.
