# City of Palmetto Agenda Item

Meeting Date

**Presenter:** Chief Rick Wells

**Department:** Police Departemnt

**Title:**

The following vehicles have been replaced, in fleet service, by newer vehicles and have outlived their usefulness. All of these vehicles are still functional and have value on the used vehicle market. The vehicles in question are:

- #626: 2003 Dodge Intrepid 53,600 miles 2B3HD46V64H701680
- #629: 2003 Dodge Intrepid 58,933 miles 2B3HD46V84H701678
- #630: 2003 Dodge Intrepid 71,481 miles 2B3HD46VX4H701679

Each of these vehicles has been stripped of its police equipment and de-stripped. The police department recommends consigning these vehicles to the Tampa Machinery Auction, Incorporated, for public auction (with the vehicle sale proceeds returning to the City General Fund, per state statute). Since the Tampa Machinery Auction is a large, well publicized event that is held regularly, these vehicles can be sold quickly and their value returned to the City in a timely manner. Last year the Department auctioned 4 vehicles through Tampa machinery Auction and we were impressed with the quick turn-around and the returns that we received on our surplus vehicles.

Once the vehicle have been auctioned, I propose that the City use the proceeds to continue re-stripping our patrol fleet with our new graphics design.
