**8<sup>TH</sup> AND 9<sup>TH</sup> STREETS AT 4<sup>TH</sup> AVENUE  
INFRASTRUCTURE IMPROVEMENTS**

**8<sup>TH</sup> AND 9<sup>TH</sup> STREETS AT 4<sup>TH</sup> AVENUE WEST  
INFRASTRUCTURE IMPROVEMENTS**

In October of 2008, City staff identified significant infrastructure failure on 8<sup>th</sup> and 9<sup>th</sup> Streets at 4<sup>th</sup> Avenue West in the CRA District. (attached minutes)

Staff obtained cost estimates for the completion of the improvements. (attached)

The City Commission adopted the Department of Public Works' CIP on April 6, 2009. This project was included on the CRA's project list for construction in FY 2009 (attached). The current estimated cost of the project is \$435,572.

This project is consistent with CRA objectives, in that it strengthens the City's contribution to the well-being of the community, enables successful on-going revitalization, and improves the physical image within the district.

**QUESTIONS:**

- **Do the mayor and City Commission agree with the conceptual plan for the project?**
- **Do the CRA Advisory Board and CRA Board support allocating funding in the amount of \$435,572 for this project this year?**

**8<sup>TH</sup> AND 9<sup>TH</sup> STREETS AT 4<sup>TH</sup> AVENUE

**8<sup>TH</sup> AND 9<sup>TH</sup> STREETS AT 4<sup>TH</sup> AVENUE  
CITY COMMISSION MINUTES**

Verizon representatives made to pay for the repairs and asked that the City not cut their line. Mr. Lukowiak acknowledged his crew's efforts to quickly rectify the problem, stating the Verizon cable is now located over the sewer line. Mr. Lukowiak also reported there is a potential for a cave-in at 3<sup>rd</sup> Avenue between 8<sup>th</sup> and 9<sup>th</sup> Streets, but it is a stormwater issue and is related to the age of the pipes. Attorney Hall advised that the homeowners in the affected area should be provided a warning of the situation.

Mr. Schmitt

Informed Commission they would be receiving a copy of the P&Z agenda on the Wednesday prior to the following Monday meeting.

Mrs. Lukowiak

Reported she will be commuting to the FRA Conference in Tampa, taking classes as appropriate. Tomorrow a group from the conference will be touring the area's CRA's and will tour the Village of the Palms.

11. MAYOR'S REPORT

No report.

12. COMMISSIONERS' COMMENTS

Mr. Bell

Reported his attendance at his first Palmetto High School homecoming game – another great benefit of living in Palmetto.

Ms. Cornwell

Reported her attendance with the Mayor at the Council of Governments meeting, where he brought up Palmetto's list. Additional information will be coming back to the City concerning the items.

Reported she has received an inquiry on what papers are used for advertising. She requested a list of the City's advertisements, their purpose and what the language is concerning what type of paper must be used.

Mr. Williams

Distributed pictures of the Thomas Taylor headstone that was knocked down and repaired, stating it should be looked at because he felt it needed to be better repaired. Mr. Williams said it was his understanding the headstone was knocked over while the City was mowing.

Suggested that because of the budget situation staff should seriously look at how it would affect City personnel and the citizens if the workweek was reduced to four ten hour days. Mr. Freeman reported Bradenton and Anna Maria have gone to a four day week, but it is mainly administrative and City Hall personnel.

Opined serious thought should be given to moving the city attorney under the Commission rather than the Mayor. He stated there is a need to have balance in the legislative process.

Ms. Varnadore

Reported that Thomas Taylor's headstone was discussed by the Historical Commission, and the reason it is so important is that for years Mr. Thomas donated funds to Palmetto Elementary to insure each student had a gift. In return, at the time of his death, the children of Palmetto Elementary collected funds to purchase the headstone.

Friday, October 24, the Historical Commission is having its Halloween Festival and the City will show Casper at the Movie in the Park.

**8<sup>TH</sup> AND 9<sup>TH</sup> STREETS AT 4<sup>TH</sup> AVENUE  
CRA MINUTES**

**D. Review of Irrigation Well Feasibility Study Tech Report**

A brief discussion ensued regarding the need for the study and the results reported. Since any further action would need to be approved by the City Commission, the Board asked that this item be placed on the agenda for the next joint meeting with the City Commission and the CRA Board of Directors.

**E. Discussion regarding the Strand Decision**

Discussion ensued regarding the results of the Strand Decision as it relates to the CRA's ability to borrow funds without a referendum.

**F. Storefront Application 08-SF-14 Amerson Retail Plaza**

This application was previously submitted in September, 2008 whereby the CRA Board requested that the applicant obtain additional quotes from contractors other than contractors related to the applicant.

**MOTION: Mr. Langford moved, Mr. Mollanazar seconded and a motion carried to approve 08-SF-14 in an amount not to exceed \$6,256.25 for repaving of the parking lot at 551 17<sup>th</sup> Street West.**

**IV. NEW BUSINESS**

**A. Land Purchase Opportunity in 1<sup>st</sup> Ward**

Discussion ensued regarding the opportunity of being able to purchase Property for a city park. The property is generally located on 11<sup>th</sup> Ave Drive West just West of 3<sup>rd</sup> Ave West. The Board requested the Executive Director to obtain additional information regarding adjoining property on 3<sup>rd</sup> Avenue West to expand the park access. Executive Director will contact owner of the property to check feasibility of purchasing the additional property and report back at next month's meeting.

**B. Palmetto Rotary Golf Tournament**

**MOTION: Mr. Mollanazar moved and Ms. Hunter seconded and motion carried unanimously to approve \$1,500.00 sponsorship of the Palmetto Rotary Club's 20th Annual Golf Tournament. Mr. Maloney and Mr. Langford abstained.**

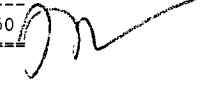

**C. Infrastructure Improvements in CRA District**

**MOTION: Mr. Langford moved and Mr. Mollanazar seconded and motion carried unanimously to proceed taking the recommended improvements to City Commission. The improvements are not to exceed \$490,500.75 and other quotes are to be obtained from various sources to include but not limited to Sarasota Land, Gigliotti and Woodruff to achieve the best possible pricing for the projects.**

**Cc:** Frank Woodard; bminnix@palmettofl.org  
**Subject:** 8th and 9th drainage improvements

Duane – first, thanks for gathering the other cost estimates for this project.

Per our conversation, here's the summary we agreed upon –

ZNS engineering for project - \$35,000

Westra - \$435,571.50 (they already did the engineering in-house)

Woodruff - \$428,091.39 + Engineering \$35,000 = \$463,091.39

Gigliotti - \$476,626.00 + Engineering \$35,000 = \$511,626.00

Therefore, I will move forward with Westra performing the work. The CRA Board already approved our moving forward once we got other cost estimates.

Bev – please set up PO.

Thanks,  
Tanya

Re: 8<sup>th</sup> Ave. W. and 9<sup>th</sup> Ave. W. Drainage Improvements

Dear Chris / Duane:

Attached is our detailed proposal for the construction of various drainage improvements in the above referenced area, to include 9<sup>th</sup> St. W. from 3<sup>rd</sup> Ave. W. to the east to the Drain outfall, 8<sup>th</sup> St. W. from 5<sup>th</sup> Ave. W. east to the Drain outfall east of 3<sup>rd</sup> Ave., and 4<sup>th</sup> Ave. W. between 8<sup>th</sup> St. W. and 9<sup>th</sup> St. Drive W. The scope of work is as indicated in the attachment, and includes a 5% contingency for any required utility offsets, etc. The Proposal Total is \$435,571.50. 

Please let me know if you need any further information, and, as usual, we hope to have the opportunity to work with you on this project.

Sincerely,

  
Gerald Hester  
Project Manager

## WESTRA CONSTRUCTION CORP.

UNDERGROUND UTILITIES · WATER-SEWER · DRAINAGE · SEWER TREATMENT PLANTS

October 6, 2008

Mr. Chris Lukowlak, Director  
City of Palmetto DPW  
600 17<sup>th</sup> St. W.  
Palmetto, Fl. 34221

Re: 8<sup>th</sup> St. W. and 9<sup>th</sup> St. W. Drainage Improvements

Dear Chris,

Per your request, please find attached our proposal for the remediation of failed drainage piping at the following locations:

- 1) 9<sup>th</sup> St. W. between 3<sup>rd</sup> Ave. W. and the Outfall at the east dead end
- 2) 8<sup>th</sup> St. W. between 5<sup>th</sup> Ave. W. and the outfall east of 3<sup>rd</sup> Ave. W.
- 3) 4<sup>th</sup> Ave. W. between 8<sup>th</sup> St. W. and 9<sup>th</sup> St. Dr. W.

The scope involved includes replacing the failed Corrugated Metal Pipe, structures, and replacement of Miami curb, driveway aprons, sidewalk, and asphalt paving from the centerline of each impacted street to the curb on the appropriate side. Also included is a 5% Contingency Item for any utility offsets that may be necessary, etc. The total proposal is \$490,500.75. As is usual, actual billings will be on the basis of field measured installed quantities. Excluded are rock excavation, relocation of Verizon or other communications or electric facilities, and imported fill.

Sincerely,

*Gerald Hester*
