SATISFACTION OF GRANT CRITERIA

By filing this application, the Applicant agrees and understands that this grant is given at the sole discretion of the Community Redevelopment Board. Application for funds under this program does not create an entitlement to funding. Renovations are subject to the approval of the Planning and Zoning Board, Building Department, and other Boards where applicable.

Submission of this application serves as the applicant's verification that he/she has the financial means to complete the project and is committed to maintaining the property in the renovated state.

This application and all attachments will become a part of public records.

CERTIFICATION

Applicant hereby certifies that all the information provided to complete this application is current, accurate, and truthful and that he/she has read and understands the associated **COMMERCIAL FAÇADE ENHANCEMENT GRANT PROGRAM**. The applicant understands that, to be eligible for funding assistance, all projects must be completed within 90 days of award, unless a written extension is granted by the CRA Board. The applicant certifies that he/she shall not derive any monetary benefit from specified contractors.

PROPOSAL

Preparation Work: The building will be pressure washed for mildew and dirt. Areas with rust will be primed with Porter Paint's Rust Inhibitive Primer. All areas to be painted will receive one coat of "Porter Paint's Sealer". All windows, doors and trim will be patched with 40 Year Caulk with silicone. Areas not to be painted will be masked off or drop cloths will be used.

Final Coating: The doors will receive one coat of "Porter Paint's Portersept #739" (semi-gloss). The masonry, electrical boxes, gutters, down spouts, and trim, will receive one coat of "Porter Paint Portersept #739" (satin). If additional coats are needed, there will be an extra charge.

We propose to furnish material and labor to complete the above described work for the sum of: Four Thousand Six Hundred Fifty Dollars and 00/100 Dollars (4,650.00).

Payment to be made as follows: A 50% deposit is due at start of work and the balance is due at completion of the proposed project.

Kevin Taylor

Acceptance of Proposal:

The conditions and amount of this proposal are satisfactory and accepted.

From: scott thebert <sethebert@gmail.com>

To: Joseph McClash

Subject: Paint bid at 602 1st Street Palmetto FL 34221

Date: April 7, 2011

Attn. Joe McClash

Thank you for contacting me to bid the painting: 600 Block 10th St. W.

The following is a break down on the work and material that will be performed.

We will start by priming all surface's with Scott Paints aquaseal primer tinted to match the new building colors. This to ensure that finish will stick well and will increase the lifetime of the paint job. Priming can make or break a job if not used properly. It is the base of a quality paint job. Next we will use a rust blocking primer on all rusty surfaces. Next we will patch and caulk all areas that might need it. Finally we will apply Scott paint velvet supercoat for the finish paint. All colors are to be chosen by you. In closing all work will be perform with the highest quality workmanship. We can accomplish the work for the sum of \$5,000.00 that includes all labor and material.

We do ask at the signing of the contract that a deposit of \$1,500.00 be paid.

Thank you again and we look forward to working with you. If you have any questions please call me or email me.

Clean existing asphalted areas to be patched and sealed (Rear Parking Lot)
Patch major pot holes (3 areas) using type S-III asphalt and compact
Apply 2 coats of Seal Master sealant with sand and latex
Re-paint existing yellow parking lines and icons using DOT traffic paint (2 coats)

=====

We hereby propose to furnish labor and material to complete the work as stated above for the sum of \$1,865.75, a deposit of \$900.00 is due on commencement of project, with the balance of \$965.75 due on project completion. Proposal prices are good for 30 days. Proof of Worker's Compensation and General Liability Insurance is available upon request.

All work will be completed in a workman like manner according to standard practices. Any alterations or deviation from the work listed above involving any additional charges will only be executed upon written change order. These additional charges will be due as described above. This proposal is subject to acceptance within 30 days and is void thereafter at the option of the authorized undersigned. A 1.5% monthly interest fee (21% annually) will be added to all accounts not paid in full within 30 days of the work completion. A service charge of \$35.00 will be added to accounts for a returned check. The customer is responsible for all lawyer and/or collection fees if such matters are used to obtain payment.

Authorized Signature: _____

Palmetto Asphalt & Demolition, Inc.

Acceptance of Proposal: You are authorized to do the work as specified above. Payment will be made as outlined above.

Date: _____

Signature: _____

Printed Name: _____

Note: Exclusions unless stated above: price does not include any permits, testing, removal of any materials such as rock or muck, layout, surveying or off site fill. We are not responsible for any wiring or pipe less than one foot beneath the surface. If any of these problems occur the person authorizing the proposal will be notified and any price changes will be discussed before any further work will be done. We will shim out major low areas before resurfacing to remove standing water but we can not guarantee 100% of the water will be off the lot. Compaction of asphalt is an average of 20-25%. Large cracks that are all the way through the asphalt may come back through the new asphalt within one year but will not be as large as the original cracks. We can not be responsible for grass growing through the new asphalt unless we have done all of the base work. If we are paving over existing shell that has grass growing through it we will do our best to remove the grass (nut grass is almost impossible to remove) by applying weed killer to the area before paving. We are not responsible for high heel marks or sharp objects that may puncture the new asphalt. We spread sand over new asphalt to protect it from power steering marks and heat. This will help cure the asphalt faster by keeping it cooler. It is important to keep the sand on the new asphalt as long as possible. Management or the owner should ensure all vehicles are at least 30 feet from the job site and sprinkler systems are off upon start of job.

Description of Materials and Work to be Performed

Description	Quantity	Unit	Unit Price	Total Price
-------------	----------	------	------------	-------------

Backfill and Fine Grading for trees and shrubs is included in this proposal.

If additional soil is needed, it will be billed at:

Top Soil @ \$24.00cy

Top Sand @ \$24.00cy

Landscape Mix @ \$38.00cy

Top Soil Stockpiled On-site @ \$12.50cy

SOD NOT INCLUDED IN BID BASED ON SCALE AND/OR CLARITY OF PLANS.

Bahia sod will be field verified after installation and billed at .18 per square foot. Floratam sod will be field verified after installation and billed at .36 per square foot. Zoysia sod will be field verified after installation and billed at .43 per square foot. Sod pricing is valid provided there is reasonable access. Possible additional charges could apply.

General Notes:

General Contractor to provide grades +/- 1" of finish grade prior to irrigation and landscape construction.

All maintenance of plant material to be by others. Protection of existing trees to be by others. Mulch for the existing vegetation has not been included in this proposal. Trimming or removal of any existing vegetation is not included in this proposal.

If bonds or additional insurance are required, an additional amount will be added to bid total for bond or insurance premium.

Quote based on quantities, species and sizes as outlined in this proposal. Additional items to be per established unit prices. Due to current market conditions, some shrub material may not be available at the size indicated and may be 2-4" shorter; however, if Turner Tree and Landscape is awarded contract with at least eight weeks lead time, every attempt will be made to contract grow shrub material to specifications.

Warranty of trees is one year, shrubs six months, sod ninety days. No warranty on transplanted material.

Turner Tree and Landscape cannot warrant any material that is not covered by a 100% coverage irrigation system. Furthermore, it is the owner or owner's representative's responsibility to begin

maintenance of material with an irrigation system at the time of completion of work, unless otherwise noted in the bid documents. All plants, trees and sod materials should be watered as follows: Six (6) times per week for the first two weeks, Four (4) times per week for weeks three and four, and Three (3) times per week for weeks five and six. Thereafter, as directed by applicable ordinances and/or follow appropriate maintenance schedule.

Should payment to Turner Tree become overdue, interest on the unpaid balance shall accrue at the rate of 1.5%/month until paid. Should collection action, non-judicial or judicial, become necessary concerning any amount due to Turner Tree under this agreement and/or invoice, Turner Tree shall be entitled to an award of its attorneys fees expended in the collection of the amount due. Venue for any action concerning performance or amount due under this agreement and/or invoice shall exclusively lie in the Twelfth Judicial Circuit in Bradenton, Florida.

Subject: McClash Store Front Grant

Jeff,

While reviewing documents provided in Commissioner McClash's Store Front Grant Application, only two estimates were turned in for the painting to include RB STUCCO & TSI OF MANATEE.

I advised to Commissioner McClash that three were needed but he advised you told him only two were needed. Under the TMP, three quotes are required....

Not sure if you want to try and push it for approval in front of the Advisory Board with the two quotes or if you want to have Commissioner McClash get a third quote by this Wednesday. I'll wait for you to advise....
